we build confidence

WINNEBAGO
Winnebago Industries, Inc.

'74 INDIAN: Confidence is the key to having more fun

The Winnebago Indian has taken more people to more fun places (like Pomona Lake, Kansas) than any other mid-sized motor home. Proven dependability means you can relax and enjoy the lake, the fishing, the mountains—your family and friends.

New this year is our D-23L—a unique wide-open floor plan that's perfect for entertaining. You have two 23-footers to choose from. And if you want even more fun room, our big 25-foot Indian should fill the bill. Choose from three Indian interior color schemes.

Also new this year is the standard Dodge 440 cubic-inch V-8 engine. And a contour padded dash that puts all controls at your fingertips. It also puts an optional entertainment center of radio and tape combinations within easy reach.

As always, Indian gives you everything you expect as standard equipment. Including even more structural steel for a stronger, safer motor home. But it also gives you some nice no-cost extras. Like non-smudging anodized aluminum trim inside and out. Easy front access to the engine for oil and water checks and minor service.

And, as always, you get the protection of Winnebago's complete warranty and experienced nationwide service network.

If you want a little more space and a little more luxury than our Brave series, go Indian. And go confidently.

Confidence has a lot to do with comfort

"Worlds of Fun" in Kansas City is one of the many places you can go with worlds of comfort in your Indian.

It's great to know that meal time is any time with a big, fully-equipped kitchen and dinette. And that fresh-up time is any time with a full bath complete with shower and bathtub combination. And that bed time is any time with the big comfortable gauchito which converts to a big comfortable bed, and the standard bed over the driver's compartment.

You can also take confidence in Winnebago's *Thermo-Steel* construction. It seals out the heat or cold, gives you the added confidence of steel reinforcement where you need it most, and provides vibration-free housing for vital electrical, plumbing and ducting systems.

We build in a lot of things to make your travels carefree and enjoyable. All interior fabrics are soil-resistant and stainproof. So fun and games for the kids aren't a headache for mom.

Whether you're going cross-country or across town, Winnebago Indian is the all-around fun machine with all-out comfort. You can be confident of that.

Worlds of Fun, Kansas City, Missouri

Confidence inspired by quality, inside and out

Inside and out, top to bottom, the Indian has the masterful quality that has made Winnebago the largest selling motor home producer in the world.

Our *Thermo-Steel* construction surrounds you in strength and safety. You know you're driving the motor home with more owner-proven reliability than almost all others combined... over a billion owner miles.

Right along with quality goes drivability, and the Indian for 1974 is the best ever.

Our new chassis means a smoother, surer ride. Our new 440 cubic-inch Dodge V-8 engine means responsive performance and loads of power.

And our factory Dynamometer "road test" of chassis and engine (something most other manufacturers haven't the facilities to do) means that your Indian comes to you ready for a drive around the block or around the country.

Women find the Indian a joy to drive, especially with our standard power steering, power brakes and 3-speed automatic transmission.

For your added safety, there's a quick-release rear window, new *Thermo-Steel* construction, fire extinguisher, and driver's compartment blackout curtain to prevent glare from the living quarters.

It all adds up to Winnebago Confidence.

THERMO-STEEL CONSTRUCTION

Thermo-Steel construction merges the strength of steel with the superior insulating qualities of our exclusive Thermo-Panel.* Proven in over a billion owner miles, Thermo-Panel is an outer layer of rustproof aluminum and an inner wall of tough paneling bonded to either side of a thick core of insulating material.

Beneath this sturdy shell is a rugged framework of heavy-gauge steel, with solid angle-steel reinforcing all structural stress points throughout the unit.

Floor, walls, ceiling and all motor home components are anchored directly to the framework, with extra strength provided by steel members front to rear.

Up front, plate steel surrounds the driver's compartment. A tough aluminum underbelly protects the flooring from weather and road knocks. And underneath, we add additional steel supports to a heavy-duty Dodge chassis.

The result is a motor home of solid, dependable strength. That's Winnebago Confidence.

*"Thermo-Panel" is a registered trademark of Winnebago Industries, Inc.

THE D-23 INDIAN

This popular floor plan has seen a lot of happy living. And one look inside tells you why. Behind the plush cockpit, there's a spacious work area with a kitchen equipped Winnebago style: big cupboards, 3-burner stove with power exhaust hood, a 6 cubic-foot gas/ electric refrigerator and a double stainless steel sink. The attractive dinette converts to a sleeping area for two

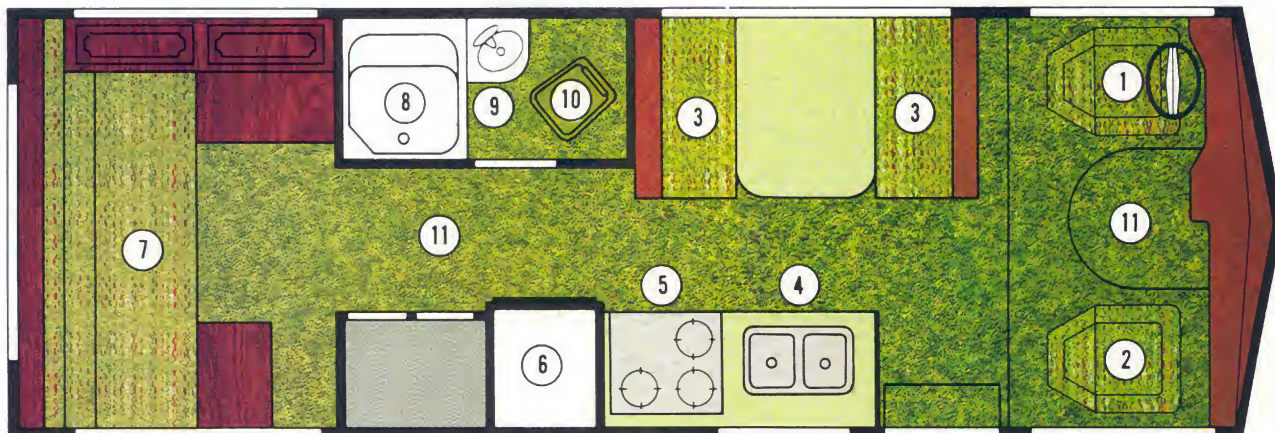

An extra-wide hallway takes you to the big full bath and the expansive rear lounge. Here is a favorite family retreat with a den-like atmosphere. The handsome full-length gauchos converts to a comfortable double bed. And you've got a big double wardrobe right there.

All Indians keep you warm and cozy with shag carpeting and a big 23,000 BTU forced-air furnace. What you get as standard equipment from Winnebago is one reason we are the standard of the industry.

Go Winnebago, and go confidently.

SPECIFICATIONS: Length: 22'11" / Width: 7'9" / Exterior height: 9'5" / Interior height: 6'6" / Curbside wet weight: 10,400 lbs. / Dodge RM-350 chassis / Wheel base: 137" / 440 cubic-inch V-8 engine / 3-speed automatic transmission / Power steering with tilt column / Power brakes with power front disc / Electronic ignition system / Tires: 8.17 x 5-D, 8-ply front, 8.17 x 5-C, 6-ply rear duals / 60 Amp alternator / Two 70 Amp-hour batteries / Sleeping capacity: 6 standard, 8 optional

THE INDIAN INTERIORS

Choose from color coordinated designer interiors of Glade Green, Canyon Gold and Desert Sand. Rich wormy-pecan vinylface paneling provides a striking backdrop for these themes. Women love the decor and will appreciate the quality of the shag carpeting, draperies and cushion fabrics. That's because we make our own interiors here at Winnebago, controlling the quality of fabrics and workmanship. Choose your favorite colors confidently.

THE NEW D-23L INDIAN

Introducing an exciting new concept in motor home floor planning for 1974—the D-23L.

This new wide-open plan with the huge back gaucho is perfect for entertaining. We call it the party plan. The seating arrangement puts everyone within ear-shot of each other.

You get a big 3-burner stove, a 6 cubic-foot gas/ electric refrigerator to hold all those refreshments, and a double stainless steel sink with a cover that you can use as a cutting board.

The bath comes complete with a tub, shower, marine toilet, pressurized water system, water heater and medicine cabinet.

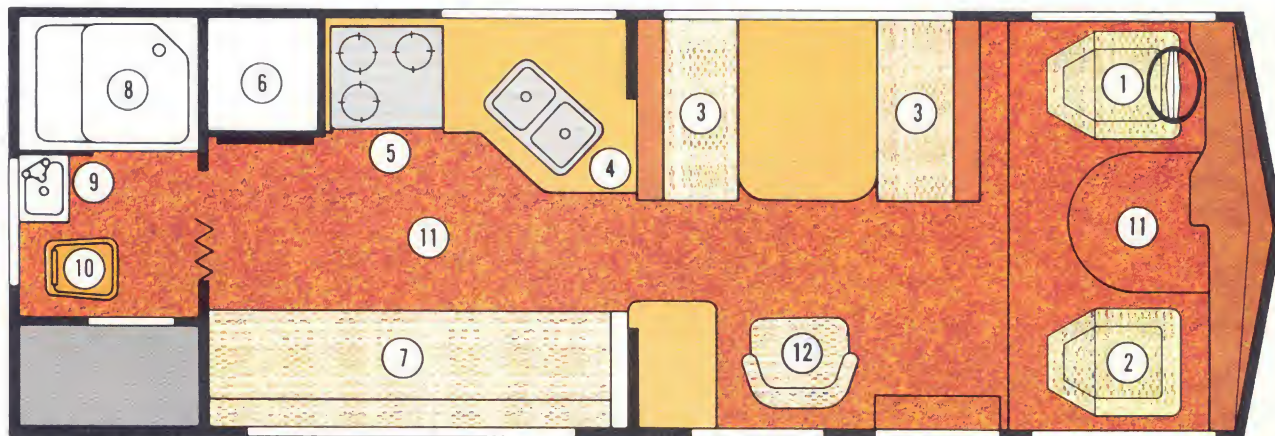

And you get sleeping space aplenty with the standard front overhead bunk (7 feet long!), the triple-fold gaucho that converts to a bed, as does the dinette.

A big Dodge 440 V-8 is standard this year. So are a lot of other things in Winnebago Indians. Like nationwide service, proven dependability, and a complete warranty.

That's Winnebago Confidence.

SPECIFICATIONS: Length: 22'11" / Width: 7'9" / Exterior height: 9'5" / Interior height: 6'6" / Curbside wet weight: 10,630 lbs. / Dodge RM-350 chassis / Wheel base: 137" / 440 cubic-inch V-8 engine / 3-speed automatic transmission / Power steering with tilt column / Power brakes with power front disc / Electronic ignition system / Tires: 8.17 x 5-D, 8-ply front, 8.17 x 5-C, 6-ply rear duals / 60 Amp alternator / Two 70 Amp-hour batteries / Sleeping capacity: 6

GUIDE TO FLOOR PLAN: (1) Driver's seat (2) Co-pilot's seat (3) Dinette (4) Stainless steel sink (5) Stove and oven (6) Refrigerator (7) Gaucho (8) Shower/Tub combination (9) Lavatory (10) Toilet (11) Shag carpeting (12) Swivel lounge chair

D-23L INDIAN FLOOR PLAN

THE D-25 INDIAN

Here is a tried-and-true floor plan. The Big Indian with 25 feet of everything a motor home should be.

Look at those big facing lounges and imagine how much living you can do there. Entertaining, relaxation—and when it's time to retire, you've got big twin beds that a basketball player could stretch out on (a full 6'4" in length).

Right next to this area you have our big fully-equipped kitchen, complete with dinette that offers even more sleeping space.

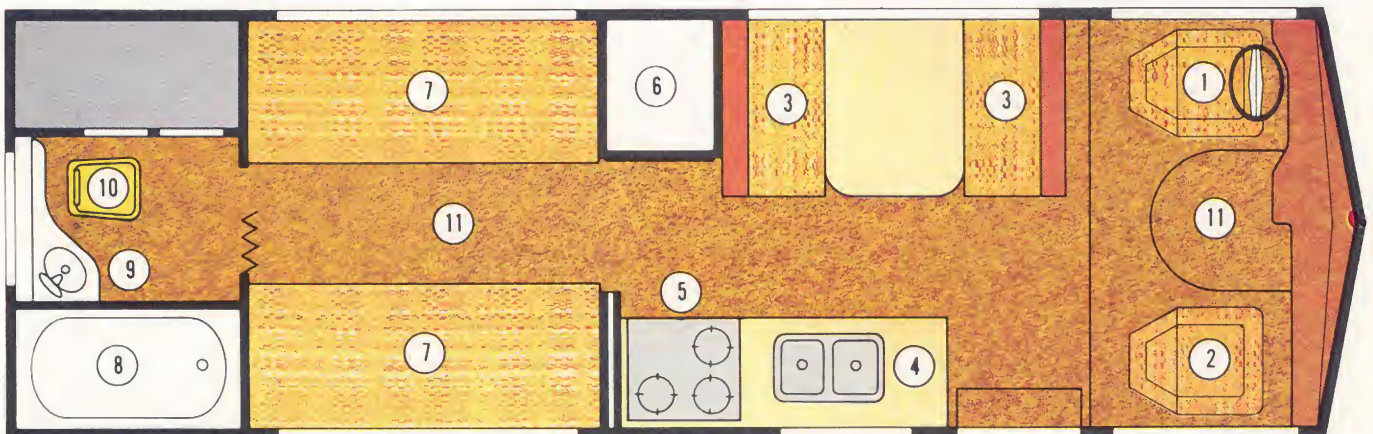

The thing that really completes the luxury is that big man-sized bath you see at the rear—with a big bathtub and shower, a big wardrobe closet opposite, and everything else in between.

Once you've seen the spaciousness and luxury of this plan, you'll know why it is so popular. The Big Indian is big on value and livability.

And you can take confidence in Winnebago quality construction.

SPECIFICATIONS: Length: 25'4" / Width: 7'9" / Exterior height: 9'5" / Interior height: 6'6" / Curbside wet weight: 10,630 lbs. / Dodge RM-400 chassis / Wheel base: 159" / 440 cubic-inch V-8 engine / 3-speed automatic transmission / Power steering with tilt column / Power brakes with power front disc / Electronic ignition system / Tires: 8.9x 5-D, 8-ply front and rear duals / 60 Amp alternator / Two 70 Amp-hour batteries / Sleeping capacity: 6 standard, 7-8 optional

GUIDE TO FLOOR PLAN: (1) Driver's seat (2) Co-pilot's seat (3) Dinette (4) Stainless steel sink (5) Stove and oven (6) Refrigerator (7) Twin beds (8) Shower/Tub combination (9) Lavatory (10) Toilet (11) Shag carpeting

D-25 INDIAN FLOOR PLAN

INDIAN STANDARD EQUIPMENT

Safety Features:

- ☐ New *Thermo-Steel* construction
- ☐ Clearance lights comply with Federal and SAE regulations
- ☐ Backup lights, parking lights, turn signals and safety flashers
- ☐ Extra side-mounted turn signals
- ☐ Tinted windows and windshield

- ☐ Marine toilet with dual holding tanks
- ☐ 36-gallon pressurized water system with 12-volt pressure pump
- ☐ Automatic water heater
- ☐ Bathtub / Shower combination
- ☐ Shower curtain

This is the medium-priced motor home with standard equipment you don't get in some higher-priced makes. But along with all of the built-in standards listed below, you get some Winnebago "extras" that mean even greater value.

For instance, all windows and vents are double sealed with silicone—the best and most expensive sealer available. And all doors and cabinets are of hollow-core construction—the kind you've probably got in your home. They're warp-resistant, extra strong, and lightweight to keep the unit's center of gravity low.

These and other standard Winnebago features don't cost extra. But they add extra years to the life of your motor home. And that's what confidence is all about.

- ☐ Lavatory
- ☐ Deluxe medicine cabinet
- ☐ Power roof vent

Utilities:

- ☐ City water hook-up
- ☐ 12-volt changeover lighting system operates from battery or external 110-volt supply
- ☐ Double 20 lb. LP gas bottles
- ☐ Electrical 12-volt converter

Interior Features:

- ☐ Shag carpeting
- ☐ Washable paneled interior
- ☐ All overhead cabinets have magnetic door catches
- ☐ Storage drawer
- ☐ Convenient 110-volt duplex outlets on separate 110-volt wiring system
- ☐ 12-volt interior lights
- ☐ Complete set of 12-volt bulbs
- ☐ Attractive curtains on full-length positive track slides
- ☐ 23,000 BTU forced-air furnace

Exterior Features:

- ☐ New *Thermo-Steel* construction with exclusive, insulated Thermo-Panel
- ☐ Pre-finished aluminum exterior and underbelly
- ☐ Two skylight roof vents
- ☐ 25-foot rubberized 110-volt power cord permanently installed with outside access compartment
- ☐ Rear storage compartment with 12-volt light and jack
- ☐ Two large side mirrors
- ☐ Glide-away step with self-cleaning tread
- ☐ Slide windows with screens

INDIAN OPTIONAL EQUIPMENT

Your Indian has standard equipment others call optional. But you will probably want to add some of our options to make your Indian more luxurious than it already is. Options such as air conditioning, cruise control, AM/FM radio, and perhaps a power plant to make life extra easy.

Look over the option list and then talk to your Winnebago dealer about special option packages that give you different combinations of extras to fill your needs. You'll find that it doesn't cost much more to add a little more luxury to your Indian.

Interior Options:

- ☐ Full-width gaucho (D-23 only)
- ☐ Twin bunks (D-25 only)
- ☐ Bunk ladder
- ☐ Glide-away bunk
- ☐ Bolsters (1 or 2 sets—D-25)
- ☐ Twin bunk, right or left side (D-25 only)
- ☐ Rear bunk (D-23 only)
- ☐ Double co-pilot seat
- ☐ Armrests
- ☐ Headrests
- ☐ Sunvisor
- ☐ Beverage tray
- ☐ Front wrap-around windshield curtain
- ☐ Front overhead cabinet
- ☐ 7 cubic-foot gas/electric refrigerator
- ☐ Vacuum cleaner
- ☐ 10,000 BTU roof air (1 or 2 units)
- ☐ 13,500 BTU roof air (1 or 2 units)
- ☐ Automotive air
- ☐ 28,000 BTU furnace

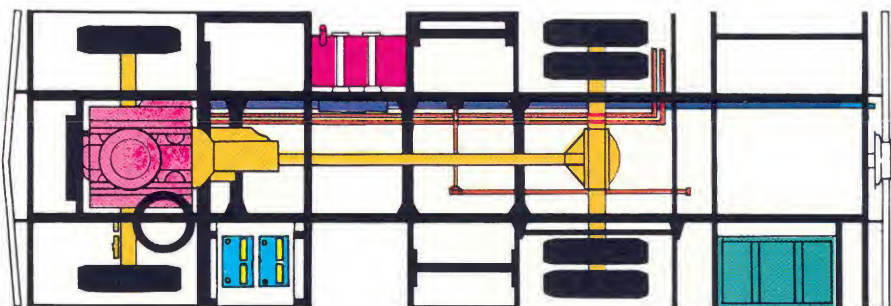

- ☐ Cruise control
- ☐ Auxiliary water group—auxiliary water tank, heavy-duty water pump, water and holding tank gauge
- ☐ Holding tank and water gauge (standard with above)
- ☐ Gas/motor-heat-assisted water heater
- ☐ Water conditioner
- ☐ Chemical toilet
- ☐ Thermo-waste disposal system
- ☐ AM radio and clock
- ☐ AM radio/tape and clock
- ☐ AM/FM multiplex radio and clock
- ☐ AM/FM multiplex radio/tape and clock

- ☐ 5,000-watt power plant
- ☐ 6,500-watt power plant
- ☐ 220 Amp-hour battery
- ☐ Battery charger with voltage converter
- ☐ Voltage and vacuum gauge
- ☐ Gas line and wiring (standard with power plant)
- ☐ Hydraulic levelers
- ☐ Limited-slip rear axle
- ☐ Spare tire
- ☐ Full wheel covers
- ☐ Chrome bumpers and front bumper guards
- ☐ Rear bumper guards
- ☐ Rear window washer and wiper
- ☐ Screen door
- ☐ Storm windows
- ☐ TV antenna
- ☐ Combination convex mirrors
- ☐ Undercoating
- ☐ Luggage rack and ladder
- ☐ Trailer hitch

Exterior Options:

- ☐ Automatic LP regulator
- ☐ Auxiliary fuel tank
- ☐ Two 30 or 40 lb. LP gas tanks with auto LP regulator
- ☐ 2,500-watt power plant
- ☐ 4,000-watt power plant

CHASSIS: All Winnebago Indian models feature the new tougher and smoother riding Dodge chassis for 1974. The new front and rear suspension system has longer, wider springs with rolled ends and non-lube rubber bushings to quiet the ride and smooth out the road. The big 440 cubic-inch V-8 engine is teamed with a 3-speed automatic transmission. You get bigger power brakes with power disc brakes up front, and a new rear wheel parking brake system. And power steering with a new tilt column. Dual rear wheels with non-flat-spotting recreational tires, aluminized emission control exhaust system, and dual 70 Amp-hour batteries are also standard.

You can have confidence in our coast to coast service and complete warranty.

Winnebago service wasn't born yesterday. We have an established service network of over 300 authorized dealers from coast to coast and in Canada and Alaska. To these Winnebago dealers, motor homing isn't a sideline. It's a full-time job and they're in it to stay. That's why you can count on factory-trained service men who are as capable at tackling a problem as they are performing normal maintenance.

Winnebago is very proud of its network of sales and service dealers... the largest motor home service organization in the nation. Quite frankly, we feel that a top-notch service organization geared to your needs is as important as a quality product in assuring us of a long list of satisfied customers.

Experienced service, proven dependability, and a complete warranty. You get all this from Winnebago, America's largest selling manufacturer of motor homes. And you get one thing more: Winnebago Confidence.

WINNEBAGO®

We build confidence

WINNEBAGO WARRANTY

Winnebago Industries, Inc., warrants each new Winnebago Motor Home (excluding chassis, 110 volt power plant, and tires), Travel Trailer (excluding tires) or Camper Coach to the original purchaser as follows:

- For the life time of the unit—Winnebago Industries' exclusive "Thermo-Panel" Construction is warranted against defects in lamination for the lifetime of the Winnebago Motor Home Body, Travel Trailer, or Camper Coach.
- For the period of one year from the date of purchase—air compressor, air conditioner (auto), air conditioner (roof), antenna, axles (TT), auxiliary battery (MH), battery (TT), brake assembly (TT), converter, speed control, demand pump, furnace, hitch (TT), LP gas bottle(s), power range hood, pre-finished panelling, range, radio, refrigerator, sink, stereo, vacuum cleaner, gauges, water conditioner, toilet, and water heater.
- For the period of 90 days from the date of purchase—carpet, cushion foam, compartment doors, drainage hose, driver and passenger seats, electrical systems, cushion fabric, fire extinguisher, plastic refrigerator interior door, faucets, light fixtures, plumbing system, switches, shower door, shower head, vinyl, jack (MH), sealants, LP gas valves, and windows.

Any part of the Winnebago Motor Home, Travel Trailer or Camper Coach subject to this warranty which is found to be defective in material or workmanship, will be repaired or replaced, at Winnebago Industries' option, by the selling dealer without charge for parts or labor. If the selling dealer has ceased to do business as an authorized Winnebago dealer or the owner is traveling or has moved to a different locality and cannot return to the selling dealer, the owner may obtain warranty repairs or replacement at any authorized Winnebago Dealership.

Winnebago Industries, Inc., cannot, however, and does not accept any responsibility in connection with any of its Motor Homes, Travel Trailers, or Camper Coaches when they have been altered outside of its own factory. If the purchaser shall use or allow to be used in the Motor Home, Travel Trailer or Camper Coach, equipment and/or parts not made or supplied by Winnebago Industries, Inc., then this warranty shall become void, if failure is a result of improper installation or adaption.

Winnebago Industries, Inc., does not undertake responsibility to any purchaser of its products for any undertaking, representation or warranty made by dealers selling its products beyond those herein expressed.

This express warranty is the only warranty applicable to the Winnebago Motor Home, Travel Trailer, or Camper Coach and is expressly in lieu of any warranties otherwise implied by law (including but not limited to implied warranties of merchantability or fitness for any particular purpose). The remedies available under this express warranty shall be the only remedies available to the purchaser-user with respect to defects in material or workmanship.

Without regard to the alleged defect, Winnebago Industries, Inc., under any circumstances, does not assume any responsibility for loss of time, inconvenience or other consequential damage including, but not limited to, expense for gasoline, telephone, travel, lodging, loss or damage to personal property or loss of revenue.

Winnebago Industries, Inc., reserves the right to make changes in design and changes or improvements upon its products without imposing any obligation upon itself to install the same upon its products theretofore manufactured.

It is the obligation of each Winnebago dealer to provide full service for owners of Winnebago Motor Homes, including Winnebago installed and/or approved components as to all aspects of said products. If the dealer is unable to provide said service at his place of business, the dealer will, at his own expense, secure said service for you from other firms authorized to service the various components in your Winnebago Motor Home.

All descriptive and pictorial representations of the products in this brochure are believed to be current at the time of publication. However, due to continued product improvement and changes in suppliers, design and production, accuracy cannot be guaranteed.

Therefore, equipment, colors, material specifications, and model availability are subject to change without notice. Please contact your authorized Winnebago dealer for current model specifications.
